

**Open to the public:
PondMagic Waterscape & Landscape
Santa Clara Fairgrounds, 344 Tully Rd, San Jose**

Before PondMagic

Directions: Enter the Fairgrounds from Tully Road, through the arch. As you enter the Fairgrounds you will be walking between two buildings. The PondMagic Landscape is in front of the main entrance doors of the building to your left.

PondMagic installed two permanent outdoor Water Features at the Santa Clara Fairgrounds in April 2008.

The features include a pond with a 30' stream and a pondless waterfall with a 25' stream and stone bridge.

The area around the Water Features is landscaped with a patio, trellis and large seating stones.
