## Anytime Pond Tour

PondMagic is proud to present the 'Anytime Pond Tour' and an invitation to visit our courtyard pond and business office in Soquel. The five locations in Santa Cruz County featured here are available for viewing at any time. The selection includes ponds, waterfalls, streams and pondless waterfalls each visible from the street.

## Anytime Pond Tour

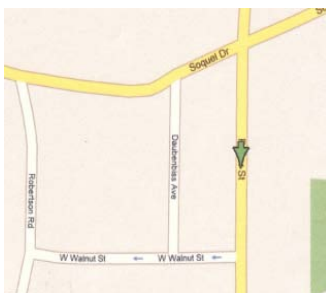

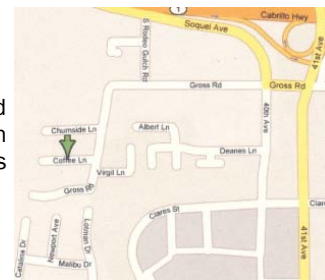

- A** Central Home Supply, 808 River Street, Santa Cruz.  
Central Home Supply, our local landscape supply yard, has a pond in front of the main building. The water cascades from a central fall into a wetland system. The pond features basalt columns and Three Rivers stone.

- B** 145 Bayona Drive, Santa Cruz.  
This is a spectacular Water Feature and includes a stream, pond and pondless waterfall on a natural roadside slope. The water flows parallel to the street towards the junction of Bayona Drive and Bay Street. Take Bay Street from Mission towards UCSC. Turn left on Bayona and the water feature is just up the hill on the left, just before the first junction.

- C** 118 Swift Street, Santa Cruz  
Less than a block from Westcliff Drive this house has a beautifully landscaped, sloping front yard incorporating a stream flowing over orange toned three rivers boulders towards the road and disappearing into a pondless base just before it gets to the sidewalk!

- D** 3345 Coffee Lane, Santa Cruz  
The home of Tim Gillett, owner of PondMagic, has a beautiful 11 x 16 pond in front of the house. Take Gross Rd from 41st Avenue, follow Gross through a 90 degree left hand turn, then take the second left onto Coffee Lane. Tim's is the last house on the right.

- E** Porter Street Plaza, 2841 Porter Street, Soquel.  
This is a stream and small pond located in the courtyard outdoor eating area by D'Anna's Deli. It is also the location of the PondMagic business office. Parking is behind the courtyard and accessible from either Porter Street or Daubenbiss. A great place to visit at lunchtime!  
Please call ahead to make an appointment if you would like to view our portfolio or discuss a project with us.
